Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the Clerk's Office of the Listrict Court for the Eastern District of Pennsylvania. REAT CURE FOR DYSPEPSIA!-ANOTHER SCIEN-DR. J. S. HOUGHTON'S

THE TRUE DIGESTIVE FLUID, OR GASTRIC JUICE, DREPARED from Rennet, or the Fourth Stomach of the Ox, after the directions of Baron Liebig, the great Phy-iological Chemist, by J. S. Houghton, M. D., Philadelphia,

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Consumption and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a tea-spoonful of Pepsin, infused in water, will digest or dissolve five pounds of roast beef in about two hours, out

of the stomach. Pepsin is the chief element or digesting principle of the Gastric Juice—the solvent of the food, the purifying, preserving and stimulating agent of the stomach and intes It is extracted from the digestive stomach of the Ox, thus forming an artificial digestive fluid precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed just as they would be by a healthy stomach. It is doing wonders for dyspeptics, during cases of Debility, Ema-ciation, Nervous Decline and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based is in the highest degree curious

Scientific Evidence.—Baron Liebig, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be prepared from the mucous membrane of the stomach of the Ox, in which various articles of food, as meat and eggs, will be softened, changed and digested, just in the same manner as they would

be in the numan stomach. Dr. Preira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 25, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Priera.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastrie Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguishe professor of medicine in London, who was severely afflicted with this complaint, finding every thing else to fail, had recourse to the Gastrie Juice, obtained from the stomachs of living animals, which proved completely successful."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in Physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effeeting a kind of artificial digestion of them in no wise dif-

ferent from the natural digestive process."
Dr. Simon's great work, the "Chemistry of Man," (Lee & Blanchard, Philadelphia, 1846, pp. 321-2.) says: "The discovery of Pepsin forms a new era in the chemical history of digestion. From recent experiments we know that food i dissolved as rapidly in an artificial digestive fluid, prepared from Pepsin, as it is in the natural Gastric Juice itself.

Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice obtained from the living human stomach, and from animals, are well known. "In all cases," he says, "digestion occurred as per-fectly in the artificial as in the natural digestion." Dr. John W. Draper, Professor of Chemistry in the College of the University of New York, in his "Text Book of Chemistry," page 386, says: "It has been a question whether artificial digestion could be performed-but it is now univerally admitted that it may be

Dr. Carpenter's standard work on Physiology, which is in the library of every physician, and is used as a text-book in all the colleges, is full of evidence similar to the above, respecting the remarkable digestive power of Pepsin, and the fact that it may be readily separated from the stomach of the calf or ox, and used for experiments in artificial digestion, or as a remedy for diseases of the stomach, and deficient secretion of the Gastric Juice. All modern works on Chemistry, Materia Medica and Phy-

siology, and all good Medical Dictionaries, describe the character and properties of Pepsin, and state many interesting details respecting it. The fact that an Artificial Digestive Fluid, or Gastric Juice, perfectly resembling the natural fluid, may be readily pre pared, does not admit of question. The only wonder is, that it has not before been applied to the cure of Indigestion and Dyspepsia-so naturally does such a use suggest itself to the

As a Dyspepsia Curer, Dr. Houghton's Pepsin has produced the most marvellous effects, in cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than two hundred remarkable cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent, It is a great nervous antidote, and particularly useful for

tendency to Bilious Disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine and Mercury and other drugs upon the digestive organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles health with intemperance. Old Stomach Complaints. - There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad it may be, it gives in-

stant relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of blood and vigor of body follow at once. It is particularly excellent in cases of Nai sea, Vomiting, Cramps, Soreness of the Pit of the Stomach, Distress after Eating, Low, Cold State of the Bood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, Tendency to Insanity, Suicide, &c. Dr. Houghton's Pepsin is sold by nearly all the dealers in fine drugs and popular medicines throughout the United States. It is prepared in powder and in fluid form, and in prescription vials for the use of physicians. Private Circulars for the use of physicians, may be btained of Dr. J. S. Houghton, or his agents, describing

the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a secret remedy, no objection can be raised against its use by physicians in respectable standing and regular prac-Price ONE DOLLAR per Bottle. MEDICAL.

AFFLICTED READ! PHILADELPHIA MEDICAL HOUSE.—Established 15 years ago by DR. KINKELIN. The oldest, surest and best hand to cure all forms of secret diseases of the skin, and solitary habits of youth, is DR. KINKELIN, N. W. corner of Third and Union streets, between Spruce and Pine, one and a half squares from the Exchange, Philadelphia. Take Particular Notice. - There is a habit which boys teach each other at the academy or college—a habit in-dulged in when by themselves, in solitude, growing up with the boy to manhood, and which, if not ahandoned in due time, not only begets serious obstacles to matrimonial happiness, but gives rise to a series of protracted, insidious and devastating affections. Few of those who include in this pernicious practice are aware of the consequences, until they and the nervous system is shattered, feel strange and un accountable feelings, vague fears in the mind. The individ-ual becomes feeble, he is unable to labor with accustomed vigor, or to apply his mind to study; his step is tardy and weak, he is dull and irresolute, the countenance is downcast the eyes without natural lustre, shamefacedness is appareu These are symptoms which should withker the attention of

those similarly utilicted. If the victim be conscious of the cause of his decay, and having relinquished the odious practice, he suffers under those terrible nocturnal emissions, which weaken and shame him, producing mental and physical prostration. If he enuncipate himself before the practice has done its worst, and enter matrimony, his marriage is unfruitful, and his senses tell him that this is caused by his early follies. Too many think they will him the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising youth, who might have Young Men! -Let no false modesty deter you from making your case known to one who, from education and respecibility, can alone berriend you. He who places himself

under DR. KINKELIN'S treatment, may religiously confide his honor as a gentleman, and in whose bosom will be orever locked the secret of the patient. Country Invalids.—Finding it inconvenient to make personal application, can, by stating their case explicitly, to gether with all their symptoms, (per letter post paid,) have forwarded to them a chest containing Dr. K.'s medicines, appropriated accordingly, and be cared at home.

Strictures of the arethra, weakness and constitutional debility, promptly cured, and full vigor restored. All letters

* * A remittance of 25 cents in a letter, postpaid, ad dressed to Dr. Kinkelin, Philadelphia, will secure his book on the Secret Infirmities of Youth. june7-wly

LIVER COMPLAINT, AUNDICE, Dyspepsia, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a ordered Liver or Stomach, such as Constipation, Pites, Fullness, or Blood to the Head, Acidity of the Stom-neh, Nausea, Heartburn, Disgustfor Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the heart, Choking or Suffocating, Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eves, Pain in the Side, Back, Chest, Limbs etc., Sudden Flushes of Heat, Burning in the Flesh, Constant In-

aginings of Evil and Great Depression of Spirits, can be ef-Dr. Hoofland's Celebrated German Bitters, Prepared by Dr. C. M. JACKSON, at the German Medicine Store, 120 Arch street, Philadelphia. Their power over the above diseases is not excelled, if

equaled, by any other preparation in the United States, as the cures affest, in many cases after skillful physicians had These Bitters are worthy the attention of invalids, possessing great virtues in the rectification of diseases of the liver and lesser glands, exercising the most searching powars in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED. From the "Boston Bee." The editor said, Dec. 22d: DR. HOOPLAND'S CELEBRATED GERMAN BITTERS, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of liver of from the use of this remedy. We are convinced that, in the use of these bitters, the patient constantly gains strength and vigor-a fact worthy of great consideration. They pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the af-

flicted we advise their use. "Scott's Weekly," one of the best literary papers pub ished, said, Aug. 29th.
"Dr. Hoothand's German Bitters manufactured by Dr. Jackson, are now recommended by some of the most prom ment members of the faculty, as an article of much efficacy in cases of Fenule weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitution will find these bitters advantageous to their health, as we know from experience the salutary effect they have on weak

More Evidence. The Hon. C. D. Hineline, Mayor of the city of Camden, N. J., says: "HOOFLAND'S GERMAN BITTERS. - We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were persuaded to use it, and must say that we found it specific in its action upon diseases of the liver and digestive organs, and the influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, making sleep refreshing. "If this medicine was more generally used, we are satis

fied there would be less sickness, as from this stanich, liver and nervous system the great majority of real and imaginary diseases emanate. Have them in a healthy a ndition, and you can bid defiance to epidemics generally. This extra-ordinary medicine we would advise our friends who are at all indisposed, to give a trial: it will recommend itself. It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the fore going,) from all sections of the Union, the last three years. and the stongest testimony in its favor, is, that there i of it used in the practice of the regular physicians of Phila delphia, than all other nostrums combined—a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presedent even in this form. That this medicine will cure liver complaint and dyspep sia, no one can doubt after using it as directed. It acts spe cifically upon the stomach and fiver, it is preferable to calo-mel in all bilious discuses; the effect is immediate. They can

be administered to female or infant with safety and reliable benefit at any time. LOOK WELL TO THE MARKS OF THE GENUINE. They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle-without which they are sparious.

GREEN HILL, Tenn., January 19, 1852. DR. ARNOLD-DEAR SIR-I consider it but an act of juslice to yourself and the community, to state to you the very great benefit I have received from the use of your Union Having been for quita a number of years, greatly troubled with dispepsia, and constipation of the bowels; at times alarming me greatly, I used every other remedy, al-most that I ever read or head of for the disease, all without the least beneficial effect. I had almost come to the belief, that it was useless to try any more; as I labored under great debility, and my stomach was greatly injured by takng the different Pills, medicine, &c.; but on hearing my ghbors speak so frequently of the beneficial effects of our Union Pills, I concluded to give them a trial, and ought a fifty cents vial, and commenced their use. From the first dose of one Pill I was satisfied it was the medicine for me. I have not yet used quite one vial, and can now say to you with the utmost pleasure, that I have not for the last ten years felt as well, or enjoyed such good health, as I have since commencing the use of your Pills. I would take no sum for the good these Pills have done me, and almost every branch of my family have used them with the same happy effect. At times some of the negroes have had symptoms of fever-at the first complaint I have given them one or two Pills, and never had to repeat the dose but once, which effected a cure. Your other medicines used by my family, have had the most happy effect. I shall always keep a supply of your Pills on hand, and I think that no one, laboring as I have under great debility and dyspepsia, with all their evil consequences, but what would, after a use of your medidines, join me in saying the same of them.
